MESA REGAL PICKLEBALL COURTS & RAIN DO NOT MIX

Did you know that after every rainstorm our pickleball courts are covered in water?? That is right, unfortunately our courts sit in the Resort's retention area so all water drains in our courts and collects under the golf area until it is pumped. Once the water leaves and tennis clean off courts 5 & 6, we need to clean our courts 3-5. Friday, a group of club members kindly came down to help clean the courts. Thanks to:

**Maurice Michaud Tom Stinson Eric Phillips Dale Hartman Ken Smith
Hammy Hamilton Nancy Stern Neil Ranson Chris Bruntlett**

for your help (if I missed anyone....sorry). Just so you know, there are no qualifications to do this job, just giving back to the club. So, **next time there is RAIN, please drop by the courts** when the rain has stopped **to see if you can help with cleaning up.**

MRPBCLUB TRAINING OPPORTUNITIES

We have great, free training at Mesa Regal and you can look forward to that starting in January. Remember to be eligible to participate in training you MUST have a MRPBClub or USAPA rating to join the session and of course **be on our membership list**. Please keep an eye on the newsletter to see when the next rating sessions will be held. As well, our club has TWO PICKLEBALL MACHINES that are locked in storage and waiting to be used. Pickleball machine training will be happening after the tournament and if you are trained on how the machines work and need access to the room, email Pat Porter at president@mrpickleballclub.com for access.
